

HEAD TUTOR

Reading | Writing | Early Education

Distance Learning

Alana sees first hand the effect of distance learning on education and has developed techniques to help aid and facilitate distance learning.

- Engages focus techniques
- Supplements, enhances, and supports lessons

Reading

Alana developed an evidence-based approach to reading and writing instruction using Wilson Reading System to help build new neural pathways.

- Multisensory learning methodologies
- Phonemic awareness
- Comprehension

Writing

Alana teaches the foundations of essay writing virtually, privately, and in the classroom. Her creative approach encourages students to reach beyond their comfort zones to achieve academic excellence.

- Persuasive writing
- Foundations of essay writing
- College admissions essays

ALANA OSBORN-LIEF
